NORCROSS, GA (June 22, 2010) – Unisource Worldwide, Inc., one of the leading distributors of paper, packaging and facility supplies in North America, recently honored three suppliers as winners of the first Unisource Worldwide Supplier Sustainability Awards.

The companies received their awards at Unisource's second Supplier Sustainability Symposium held this May in Atlanta, GA. More than 75 decision-makers from Unisource and suppliers throughout the U.S. attended the meeting, which focused on the recent accomplishments of the company's suppliers as well as the challenges of maintaining corporate sustainability initiatives for the future.

The three companies – one from each Unisource business segment including Paper, Packaging and Facility Supplies – selected to receive the 2010 Unisource Supplier Sustainability Awards were:

- **FACILITY SUPPLIES – Diversey, Inc.**, a leading global provider of cleaning and hygiene solutions to the institutional marketplace, serving customers in the lodging, food service, retail, health care, food and beverage sectors, as well as building service contractors worldwide.

"These awards were presented to our top suppliers for their recent environmental accomplishments and best practices for supply chain management," said Unisource's Vice President of Sustainability Nancy C.
